

# Fall Notes

## J.T. JONES LAW MOVING TO 10TH FLOOR

In March 2019, attorney Jeffrey Jones will relocate his legal team from Gray Legal Group at 108 North Elm Street to Suite 1001-1006 in The Guilford Building. Jeffrey will be joined by his wife, Gwen, who is an integral part of his practice.

The firm focuses on estate planning and administration as well as intellectual property (copyrights and trademarks) and entertainment law.

## KEEP A CURRENT PARKING PERMIT IN YOUR VEHICLE WINDOW

So-o-o many unauthorized people want to park in The Guilford Building Parking Lot these days. The only way for Hallimar Properties to control parking violators is to step up towing. Please do not get caught without an up-to-date permit clearly visible in your vehicle. To get a vehicle back after it is towed could cost \$200!

If you forget your permit or leave it in another car, a good place to park for the day is across Davie Street in the Depot Parking area. Hallimar Properties does not issue short-term, replacement permits.

Stay fire-inspection-ready to avoid citations and fines. The fire marshal could drop by at any time.

Don't see what you like in the vending machines? Let the building staff know your preferences.
