24-Hour Access For Tenants

Technology companies located in The Guilford Building often service and install equipment at night. Personnel employed or contracted by these technology companies must comply with the same entry and exit procedures that other tenants in the building follow.

Newcomers sometimes get confused when they try to enter or exit the locked building after hours. To avoid confusion, review the in-and-out procedures before coming at night. All night owls need a key to enter The Guilford Building, and they should remember that electronic eyes will be watching as they enter and exit.

Night parking in the lot behind The Guilford Building is available *by permit only*. Permits may be obtained at the leasing office from 9 a.m. to 4 p.m., Monday through Friday. Any vehicle that is parked in that lot without a permit on display in its windshield is subject to towing, and the lot is closely patrolled at night. People who come to the building after hours without a permit should look for parking on the street.

Please direct any questions about night security at The Guilford Building to Diana Poston at 336-272-0038.

Lots of Visitors Lots of Commerce

- * We receive about 50 visitors on an active day.
- * Visitors are local and out-of-state, some times out-of-country.
- * The conference room is in heavy use. Lots of meetings throughout the building.
- * There are ten attorneys with busy practices here.
- * The Professional Firefighters of Greensboro are very active on the 9th floor.
- * Telecommunications technicians are a constant presence in and out of the building.
- * On average, five companies or individuals inquire about leasing space here every week.

The Guilford Building will be closed on Monday, May 27, 2019
in observance of Memorial Day.

Also closed Thursday, July 4th in celebration of Independence Day.
