Seasons Greetings

Pictured above is the north side of the old bank at The Guilford Building. In September 1927 Greensboro Bank and Trust opened its doors at this location. At holiday time the pink Italian marble glistened in the lights of Christmas.

Thank you to all the people who fill The Guilford Building with positive energy every day. Amid turmoil, businesses here remain stable and focused on the future.

Especially we are grateful to our cleaning crews who come here like clockwork and to our many delivery people who keep packages and mail coming and going, often through very difficult circumstances.

The sparkling winter decorations in the lobby are from The Farmers Wife at 339 South Davie Street. The designers there know just how to light the holidays and lift our spirits.

VERIZON COMING SOON

Verizon is bringing fiber optic cable into The Guilford Building in January for its new 10th floor site. No parking disruptions are anticipated, but expect to see workers and some equipment at the back of the building for a few days in the new year. Let the building staff know about any problems or concerns that might arise while Verizon is working here.

**THE BUILDING WILL BE CLOSED ON DECEMBER 24 AND 25.
ALSO CLOSED JANUARY 1, 2020.
SAFE AND HAPPY HOLIDAYS TO ALL!**
