## HAPPY 80TH BIRTHDAY JESSE LOCKE

A cruise to Alaska, birthday dinners, cakes and cards, and community thanks – all for longtime, Guilford Building tailor and model citizen, Jesse Locke – to help him celebrate his recent 80th birthday. Jesse brought Locke Alterations Shop to 114 East Washington Street in 1995 and has made our clothes fit ever since.

Mostly, Jesse has listened to the stories of our lives, always interested and caring but never judgmental or quick to advise. Jesse knows how to tune into people here and all across our community, and he's a first-rate tailor. Says Jesse, "I'm keeping my shop open for the foreseeable future."
